PRESIDENTS REPORT

Presidents Report

Our AGM was held on 12th July '22 with the following members elected to the positions shown;

President; Rob Dryburgh Vice President; Ken Bakon Treasurer; Derek Everton
Secretary; John Kennedy Asst Secretary; Siva Swaminathan

Finally a season which was largely unaffected by both Covid and rain.

The next umpire training is scheduled for the weekend of 24 & 25 June '23. Again, the venue will be the function room at the Ted Burge complex, South Wentworthville. The training will be conducted by NSWCU&S in conjunction with PDCUA. Anyone interested is welcome to attend but numbers may be limited. Best to contact the Secretary, John Kennedy umpires.pdcua@gmail.com

My thanks to the appointments committee ably led by chairman, Ken Bakon who often had to rearrange appointments due to last minute drop-outs. Overall, we generally met our commitment of having a black and white appointed to the top 2 grades, A and A(Res) and in some instances supplied 2 umpires to various grades. Having a 2nd umpire is seen as a way of promoting umpires through the grades.

The junior competition consisted of 13 rounds stage 3 with a combination of 1 and 2-day matches and Junior stage 1-2 had 19 rounds with one day matches whereas the senior comp had 14 rounds also with a combination of 1-day, 2-day matches.

The end of season dinner and awards night was held in late March with the following gentlemen taking the various awards.

The Doug D'Arney Medal for Rookie Umpire of the Year; Sugeewa Kodituwakku
The Barry Collison Medal for Representative Umpire of the Year; Siva Thuraiwamy
The Terry Heath Trophy for Umpire of the Year; Jaga Gnanasegara-Sarma
All were popular choices amongst their peers and my congratulations goes to all 3.

Sadly, our past president and life member, Doug D'Arney passed away in December '22. Doug was well known throughout the district and had an association for many years both as a player and then as an umpire who stood in many matches both at junior and senior grades. Doug also represented PDCUA as an umpire at various grades of rep cricket. Further, Doug also umpired at Sydney Grade Cricket reaching 1st grade where I

understand he stood at 100 matches. From this it is easy to see why Doug had a deep affection for the game of cricket. Our deepest sympathies go to Doug's widow Sue and the wider D'Arney family.

I'd like to take this opportunity to thank the PDCUA executive; John Kennedy, Ken Bakon, Derek Everton and Frank Pitt and Peter McLoughlin as well as the other executive members of PDCA for their tireless hard work and support throughout the season in helping to make our association the strong unit it is today.

Rob Dryburgh
PRESIDENT

SECRETARY'S REPORT

Yet another season has passed successfully, and I am sure all umpires enjoyed their time at the middle.

Secretary role is challenging, and it was challenging but when experienced Ken Bakon was around, my job as secretary was made easy. Ken Bakon once gain administered the post of manager appointments and he has done extremely great work. Treasurer Derek Everton did a fantastic job of balancing the books and both Rob Dryburgh and I were extremely grateful for their efforts. While we had number of challenges, both Derek and Ken were excellent in their respective roles. Thank you, Derek and Ken.

PDCUA has around 14 new umpires joining the ranks and covered many matches. We were able to cover both PDCA, IDCA, and NSW Hurricanes representative requests for those Sunday matches. – a great effort from all involved.

Unfortunately, one of our life members, Doug D'Arney passed away in December '22. Doug had been leading the association for many years, has been a mentor and a great supporter of the association. Doug's attendance at our meetings will be sadly missed. Our deepest sympathies go to the Doug D'Arney's family.

Again, this season Doug D'Arney continued as our "observer" to report on and assist in the education of our new umpires. But unfortunately, we lost him in the month of December 2022. We will be missing him in the forthcoming season.

As always, our monthly meetings were always well attended.

The Annual Dinner was very well attended. This year around the Terry Heath Trophy was presented to Jaga Gnanasegara Sarma an umpire who had positive feedback from different teams, and he deserved it. Congratulations also to The Barry Collison Medal for Representative Umpire of the Year award winner Siva Thuraiwamy and The Doug D'Arney Medal for Rookie Umpire of the Year award winner Sujeewa Kodituwakku.

The umpire's association has been servicing PDCA by providing officials to most of the games on the weekend. Frank Pitt, Peter McLoughlin and other PDCA board members

have been very supportive of our effort. Thanks to Frank Pitt for delivering a successful 2022-23 season. PDCUA also, thank Ted Burge management for allowing us to use premises for our monthly meetings. Finally, I thank President Rob, Treasurer Derek, Vice President Ken Bakon, the selection Committee ably led by Ken, and the Management Committee for their solid support and assistance throughout the year. Thanks to the examination committee for their support in preparing monthly law questions.

This is my second year as Secretary, and I hope to serve this association for many more years to come. At the outset I should thank all the members of the association who has supported throughout this year. As Secretary, I was able to bring in some changes to accommodate the changing technological aspect. President Robert Dryburge, Ken Bakon, and Derek have been pillar of support to me throughout this year and I am very grateful to them. I also extend my sincere thanks to Siva Swaminathan who took the role of Assistant secretary and assisted with the minutes of the meeting.

I appreciate and thank to all those who helped me along the way.

Total Expenses		\$83,551.84	
Net Income less expenses			-\$3,161.84
Closing balance as at 1 May 2023			\$6,018.48

* PDCA has overpaid \$105 for the 2022-2023 season - this is to be refunded when arrangements with PDCA are made - actual balance available is therefore \$5,913.48 when amount owed is included.

We had 88 umpires registered this season (86 paid up members and 2 life members) - including 14 new members.

The PDCUA Executive would also like to thank our members who have committed their time to umpire across all relevant competitions on both Saturdays and Sundays, and also those members who lodge their self-assessment reports in a timely manner as this really does assist in invoicing and reconciliation.

The 2022/23 season has seen our account balance reduce by \$3,161.84.

Our main income sources were membership payments of \$5,920.00 and Umpiring Fees received from Parramatta District Cricket Association (PDCA) \$68,010.

Our main expense was umpiring fees for both PDCA Domestic competitions as well as the Inter District representative competitions – totalling \$72,510. We also incurred new uniform expenses of \$2,142 as an extraordinary outgoing.

We acknowledge and thank Cricket NSW for their \$1,000 grant to PDCUA.

We also acknowledge and thank PDCA for their \$830 contribution towards the “Double-Up” costs incurred by PDCUA for the 2021/22 season.

We would also like to thank Frank Pitt and Madan Alagaraja from PDCA for their continued support and patience over this year as we again have had numerous reconciliation issues with umpire appointments and attendances, and delayed lodgements of self-assessment reports.

Although we still have a relatively healthy bank balance overall our financial position has worsened significantly during this season due to the need for new shirts and jackets and a significant loss from training and “Double-Ups”. The Executive are currently working with PDCA to formalise these training and Double-Ups issues to reduce this cost to PDCUA.

I hope you all had an enjoyable season and will be back next year.
